

Radiologic Technology Program Essay Questionnaire

Instructions:

Please answer the follow essay prompts with a minimum of 250 words each. Answer each prompt in a clear and organized paragraph. Responses should be in your own words.

Both prompts must be written using either Times New Roman or Calibri font, 12pt font size, and double spaced. Your first and last name must appear in the upper left corner of each page submitted.

- 1: The Radiologic Technology program is a rigorous program with 71 credits required to graduate; 40 of which credits are radiologic technology specific. Please explain how you plan to handle school/studying on top of your personal obligations (family/friends/work/etc.).

- 2: Being able to communicate effectively is a vital soft skill in all aspects of life. Explain what action(s) you would take if you misunderstood an important concept/instruction in the classroom or clinical setting?
