

CLASS A CDL DRIVER TRAINING

COLLEGE OF TECHNOLOGY
Johnson
COLLEGE

PROGRAM OBJECTIVE

The Class A Truck driver training curriculum provides students with training to inspect and operate tractor-trailers and to assume driver responsibilities on the road and at pickup/delivery points. Emphasis is placed on vehicle inspections, defensive driving, range maneuvers, motor carrier safety regulations (DOT 380-397 and a certificate for entry level drivers), trip planning, cargo handlings, size/weight laws, general maintenance procedures, hours of service, and accident prevention.
